☐ Please check if any of the above information has changed since previous year.

II. MINING AND RECLAMATION

1. Was the mine active during the past year? Yes ☐ No ☒

2. If active, how much ore or mineral was mined? None

3. How much new or additional acreage was affected during past year? None

4. Briefly describe any new or additional surface disturbances that occurred during the past year. This description should include the type of work performed, and volume of material moved.

None

5. How much acreage was reclaimed during past year? None

6. Briefly describe the reclamation work performed during the past year. This description should include methods employed, and an evaluation of the results.

We have placed a reclamation bond with the Division of Oil, Gas and Mining. The bond was placed on 11-27-90 in the amount of \$17,600 at First Security Bank, this is for future reclamation on the defined Herat Mine area.

7. What is the total disturbed acreage at years end? Approximately 5 acres
8. Briefly summarize mining and reclamation planned for the upcoming year.

There is a strong possibility of future exploration of the
Herat Mine in 1992. However, when and to what extent is yet to be
determined.

NOTE: Section III., "Additional Information" applies only to large mining operations.

III. ADDITIONAL INFORMATION

1. An updated surface facilities map should be attached if there have been significant changes since the previous map was submitted.
2. Any monitoring results or other reports that are required under the terms of the approved notice of intention should also be attached.
